IN RE: MAVERIX.NET, INC.	DOCKET NO. TCU-00-29
---------------------------------	----------------------

ORDER APPROVING WITHDRAWAL OF APPLICATION FOR CERTIFICATE

(Issued January 15, 2002)

On August 25, 2000, the Utilities Board (Board) issued an order approving the application of Maverix.net, Inc. (Maverix), for a certificate of public convenience and necessity to provide local exchange service in Iowa. The Board in the order stated that a certificate would be issued to Maverix to commence service once Maverix obtained approved tariffs showing the rates, conditions, and terms of service it would be providing.

On January 8, 2002, Maverix's communications consultant, Competitive Communications Group (CCG), filed a letter with the Board stating that Maverix is no longer an operating business and has entered bankruptcy proceedings. CCG requested a withdrawal of Maverix's application. Staff contacted CCG on January 2, 2002, and verified the company's wishes to withdraw Maverix's approved application.

The Board notes that there is no record of Maverix filing a tariff with the Board, nor is there any record of the Board issuing a certificate to Maverix following the August 25, 2000, order. Therefore, the Board believes it is Maverix's intent to withdraw its current application.

The Board has considered the request to withdraw the application and finds that it is reasonable. Maverix has not established local service in Iowa nor does it have any Iowa customers who would be affected by its withdrawal.

IT IS THEREFORE ORDERED:

The request of Competitive Communications Group as telecommunications consultant for Maverix.net, Inc., to withdraw Maverix.net, Inc.'s application for a certificate of public convenience and necessity to provide local exchange service is approved.
